COMMENTS FROM THE TOWN MANAGER'S OFFICE

A special town meeting is being called by the Selectmen for the purpose of filling the vacancy of the late John Carter. The meeting will be held on Thursday, Sept. 29th, with the polls opening at one o'clock in the afternoon and closing at seven o'clock in the evening. All persons interested in becoming candidates for the office of selectman and assessor should obtain nomination papers from the Town Clerk. The closing date for filing nomination papers is Sept. 15th. Each nomination paper requires a minimum of fifty signatures.

The 1960 tax bills have all been mailed. If there is any question about a tax bill as to possible errors in the assessment, please notify the Town Office as soon as possible. There is more time now to check and make any necessary corrections on tax bills than there will be near the end of the year.

NEW LYNCHVILLE ROAD CONSTRUCTION STARTED

Work was begun Monday on the new road at Lynchville the contract for which was awarded last week to H. E. Sargent, Inc., of Stillwater. Their bid of \$151,710.70 was the lowest of 10 submitted. The Sargent company is presently completing the highway and bridge job in Bethel, Hanover and Rumford which was started last fall.

The Lynchville project is located in the towns of Waterford, Albany and Stoneham and includes a bridge over Crooked River in Albany, downstream from the present location. Construction extends from the built-up section of East Stoneham to a point near the mill yard in Waterford about two-tenths of a mile from the Albany-Waterford line.

It is expected the new road will be in use by Christmas of this year although all work will be completed in the spring. More than a mile of the 1.979 miles of bituminous gravel will be on new location, becoming parts of Routes 6 and 35 when finished.

ROBIE CARVER

The West Parish Congregational Church of Bethel was the scene at 3 o'clock on Sunday afternoon, Aug. 28th, of the marriage of Miss Catherine Carver, daughter of Mr. and Mrs. Kimball Ames, of Bethel, to Richard Allen Robie, son of Mr. and Mrs. Frank H. Robie of Middle St., Augusta.

Rev. Clifford W. Laws performed the double ring ceremony and Frank Flint, formerly of Bethel, now of Cleveland, Ohio, furnished traditional wedding music at the organ. The church was attractively decorated with evergreens and white gladioli and shasta daisies.

The bride who was given in marriage by her father, wore a white gown of silk organza with lace motifs and a tulle veil. She carried a bouquet of pink and white roses.

Mrs. Nancy Stickney, sister of the bride, was matron of honor. The bridesmaids were Mrs. Barbara Brown of Boston, Miss Mary-Beth Weisenborn of Albany, N. J., and Miss Carla Grover of Bethel, all of whom wore identical gowns of romance blue organza with matching head bands and shoes and carried bouquets of white chrysanthemums and shasta daisies.

Miss Betsy Davis, daughter of Mr. and Mrs. Stanley E. Davis, dressed to match the bridesmaids, served as flower girl. John Stuart Wiley, son of Mr. and Mrs. Charles Wiley, was ring bearer.

Donald Robie of Augusta was his brother's best man. Ushers were Kenneth Robie, brother of the groom, Lee Carver, and Wallace Stickney, brothers of the bride.

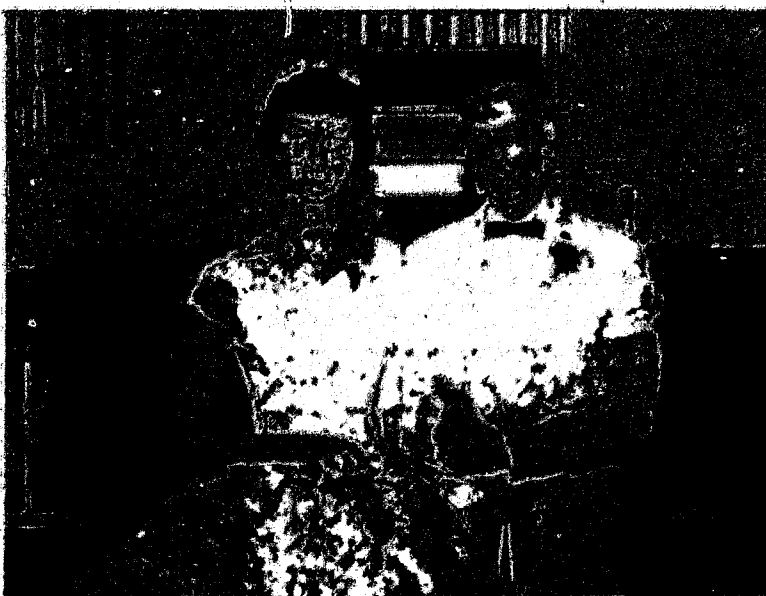

Mrs. Frank Robie, mother of the groom, was attractive in a gown of tan lace with brown hat and shoes and a corsage of yellow roses. Mrs. Ames chose Wedgewood blue, and a corsage of pink roses.

Miss Ruth Willard circulated the guest book at the reception held immediately following the ceremony in Garland Chapel.

Miss Carver was graduated from Gould Academy, Lasell Junior College and completes the Lasell nurses training in September.

Mr. Robie was graduated from Cony High School, Augusta, and Bentley School of Accounting. He is employed at Research and Development Center of the Avco Electronics Corporation as a cost accountant in Wilmington, Mass.

Following a wedding trip Mr. and Mrs. Robie will be at home at 11 Tetlow Street, Bethel.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, September 1

Read John 16:29-33
In the world ye shall have tribulation: but he of good cheer; I have overcome the world. (John 16:33).

Not all the early Christian martyrs were sent to the stake or thrown to the lions, W. E. Sangster, of England, reminds us. Some were condemned to the mines of Numidia, now known as Algeria. They were made to row their own galleys to North Africa, then trek through the scorching mountains to the mines.

On arrival, their chains were shortened so that never again could they stand upright. They were branded with irons. Given a lamp and a mallet, they were whipped underground, never to return.

Many wrote messages on the

walls of the mines—prayers, names of friends. One word appears again and again, vita!—life! They had it, even there, under such appalling conditions! Their tribulation could not rob them of their joy and victory in Christ Jesus.

PRAYER: Gracious God, our heavenly Father, with whom there is neither near nor far, but one eternal presence, we thank Thee that Thou art with us always, wherever we are. Grant us in all things the joy and victory which come through knowing Christ Jesus as Saviour and Lord. In His name we pray. Amen.

Thought For The Day

POLICE CHIEF, GOVERNOR URGE SAFETY EFFORT ON HOLIDAY WEEK END

Governor John H. Reed and Col. Robert Marx, State Police chief, have issued a joint statement, urging everyone to cooperate with the many official and non-official agencies which will be making an all-out effort to prevent highway crashes during the long Labor Day week end.

"Enforcement organizations, at all levels, will be working around the clock in a concentrated effort to offset the dangers of this period of heavy travel," said Governor Reed. "Official safety groups and many non-official public support groups have been making every effort to alert the motoring public to the added danger of a long holiday week end. Public informational media throughout the entire State are doing a tremendous job, as always, bringing about a public awareness of the absolute necessity of unusual care in traffic."

Governor Reed emphasized, however, that all this safety activity will prove to be of very little value if we, as individuals, refuse to accept our responsibilities in traffic.

To talk the right and live the wrong is foolish deceit, doing one's self the most harm.
